Handwerkzeug Hand Tools Socket Sets

Advantages of MICHELIN Hand Tools

Material:

- Chrome vanadium steel 50BV30 HRC 42-46°.
- Satin chrome plated finish.
- S2 bits HRC 58-62°.

- MICHELIN branding on all the parts.

- Curved ratchet with ergonomic handle.

- Screwed universal joint instead of riveted.

- Rifles on the sockets for a better grip.
- Big- R Socket can be used for mm and inch.

- BMC with nice closing, soft- grip handle and anti-slip-nops on the bottom.
